

## Application for Coaching Lawson Baseball/Softball Association

In connection with my application to act as coach for a children's baseball/softball team for Lawson Baseball/Softball Association, I certify that I have not been charged or convicted of any sexually related crimes or offenses; that I am not a habitual abuser of alcohol; that I am not a user of illegal narcotics; and that I am not aware of any information about myself which would reflect upon my moral fitness to act as a coach for a children's athletic team. I understand that my appointment as a coach for any children's athletic team is granted in consideration of my truthful signature to this certification. I have been notified that all coaches are subject to a back ground check, done by the Lawson Baseball/Softball Association.

All head and assistant coaches must be approved to coach by the Lawson Baseball/Softball Association. A head coach cannot add an assistant coach to his/her team during the year, unless it is approved first by the Lawson Baseball/Softball Association. Any coach that does not follow this procedure, maybe asked to step down. Only the head coach is allowed to attend the Draft picking of teams, unless approved first by the Lawson Baseball/Softball Association. All applications for coaching must be turned into Lawson Baseball/Softball Association by the first week of March, for review and approval.

I wish to do the following:
