

## **T-Ball Only**

At the time of sign ups only, a parent may request that their child/children play on a specific coach's team or with other friends. If the parent does not mark this on the sign up form at the sign up, they will be placed in the draft pool and placed on a team once picked. This pertains to T-Ball players only. All other age players must conform to the draft.

Thanks,

The Lawson Baseball/Softball Association
